

## **SERVICE CHANGES: Beginning Thursday, March 19th**

In response to the continuing developments relating to the COVID-19 virus, we are implementing the following service changes **effective Thursday March 19<sup>th</sup>** to ensure the safety of the drivers, the safety of the passengers and to continue service to our ridership.

We will be taking one vehicle off the route due to lack of demand and low ridership. This should not affect headways as traffic and ridership is much lighter.

You will only be allowed to board the bus using the rear doors unless the ramp is needed for wheelchair users. The front door will be closed and the front of the vehicle will be blocked off for 6' to protect the drivers.

We thank you very much for your understanding and patience during this difficult time.
